

Remove Events

Path: Home > Courses > [Course Screen] > Events > Remove Events

This report is a tool to quickly remove Events. Unlike most places where you can delete Events, there is no confirmation required in this report, which allows you to very quickly remove a large number of Events.

NOTE: Unlike most places where you can delete Events, there is **no confirmation required** in this report, which allows you to very quickly remove a large number of Events.

Sorted by Date
Cardiovascular Medicine SOM 2021/2022 R1 - Main Campus

Remove	Testing Repeating Linked Events	TBL100	2020-09-16	07:00:00	08:30:00	Yes		
Remove	Testing Repeating Linked Events	Football Field	2020-09-17	09:00:00	10:00:00	Yes		
Remove	Clinical Problem Solving	1120A MSB	2020-09-29	08:10:00	10:10:00	Yes		

The links at the top allow you to restore events and the list of Events can be filtered by Date, Event Name or Events with No Students.

Restore Events: Shows all of the deleted Events for the Course and offers you a quick way of restoring those Events.

The **R/O** field of the report indicates if the Event was created by the **Course Rollover** process.
